The JOURNAL OF APPLIED POLYMER SCIENCE (Print ISSN: 0021-8995; Online: 1097-4628) is published semi-monthly, four volumes per year, by Wiley Subscription Services, Inc., a Wiley Company, 111 River St., Hoboken, NJ 07030-5774.

Copyright © 2009 Wiley Periodicals, Inc., a Wiley Company. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (978) 750-8400, fax (978) 750-4470. Periodicals postage paid at Hoboken, NJ, and at additional mailing offices.

The copyright notice appearing at the bottom of the first page of an article in the journal indicates the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law.

This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept, http://www.wiley.com/go/permissions.

Information for Subscribers: The *Journal of Applied Polymer Science* is published in 24 issues per year. Institutional subscription prices for 2009 (Print & Online) are: US$23,245 (US), US$23,749 (Rest of World), €15,322 (Europe), £12,117 (UK). Prices are exclusive of tax. Australian GST, Canadian GST, and European VAT will be applied at the appropriate rates. For more information on current tax rates, please go to www.wiley.com, click on Help, and follow the link through to Journal subscriptions. The institutional price includes online access to the current and all online back files to January 1, 1997, where available. For other pricing options, including access information and terms and conditions, please visit www.interscience.wiley.com/journals.

Journal Customer Services: For ordering information, claims, and any inquiry concerning your journal subscription please go to interscience.wiley.com/support or contact your nearest office: Americas: e-mail: cs-journals@wiley.com; Tel: +1 781 388 8598 or 1 800 835 6770 (toll free in the USA & Canada). Europe, Middle East, and Africa: e-mail: cs-journals@wiley.com; Tel: +44 (0) 1865 778315. Asia Pacific: e-mail: cs-journals@wiley.com; Tel: +65 6511 8000.

Postmaster: Send all address changes to The JOURNAL OF APPLIED POLYMER SCIENCE, Journal Customer Services, John Wiley & Sons, Inc., 350 Main St., Malden, MA 02148-5020.

Advertising/Sales: Inquiries concerning advertising should be forwarded to the Advertising Sales Manager, c/o John Wiley & Sons, Inc., 111 River Street, Hoboken, NJ 07030; (201) 748-8832. Advertising Sales, European Contact: Jackie Sibley, c/o John Wiley & Sons, Ltd., The Atrium, Southern Gate, Chichester, West Sussex PO19 8SQ, England. Tel: 44 1243 770 351; Fax: 44 1243 770 432; e-mail: adsales@wiley.co.uk.

Reprints: Reprint sales and inquiries should be directed to the Customer Service Department, c/o John Wiley & Sons, Inc., 111 River Street, Hoboken, NJ 07030. Tel: (201) 748-8789.

Other Correspondence: Address all other correspondence to: JOURNAL OF APPLIED POLYMER SCIENCE, Publisher, c/o John Wiley & Sons, Inc., 111 River Street, Hoboken, NJ 07030.

The contents of this journal are indexed or abstracted in *Chemical Abstracts, Chemical Titles, Chemistry Citation Index, Compendex, Current Contents/Engineering, Computing, and Technology, Current Contents/Physical, Chemical and Earth Sciences, INSPEC, ISI Alerting Services (includes Research Alert), Materials Science Citation Index, Polymer Blends, Alloys & Interpenetrating Polymer Networks Abstracts, Reaction Citation Index, Science Citation Index, SciSearch (also known as Science Citation Index-Expanded), Urethane Abstracts, World Surface Coatings Abstracts,* and *World Textiles.*

This paper meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper). ♾

CONTENTS

Volume 113

ISSUE VOLUME 113 / NUMBER 1 / July 5, 2009

Terpolymer Resin VIII: Chelation Ion-Exchange Properties of 2,4-Dihydroxybenzophenone-oxamide-formaldehyde Terpolymer Resins
S. S. Butoliya, A. B. Zade, and W. B. Gurnule 1
Published online 13 March 2009

Thermal Cure Behavior and Pyrolysis of Methyl-Tri(phenylethynyl)silane Resin
Q. Zhou and L. Ni 10
Published online 13 March 2009

Nonisothermal Decomposition Kinetics of Nylon 1010/POSS Composites
H. Yu, W. Ren, and Y. Zhang 17
Published online 13 March 2009

Optimization of Preparation Conditions of Carboxymethyl Potato Starch through Orthogonal Experimental Design
Y. Bi, M. Liu, L. Wu, and D. Cui 24
Published online 13 March 2009

A Starch-Based Biodegradable Film Modified by Nano Silicon Dioxide
H. Tang, H. Xiong, S. Tang, and P. Zou 34
Published online 13 March 2009

Studies on Preparation of PGMA/Al_2O_3 and its Effect on Impact Strength of Epoxy Resin
R. Wang, B. Gao, Y. Zhang, and L. Chen 41
Published online 13 March 2009

Mechanical Relaxation of Medical Grade UHMWPE of Different Crosslink Density as Prepared by Electron Beam Irradiation
U. Göschel and C. Ulrich 49
Published online 13 March 2009

The Study on Poly(ether sulfone) Modified Cyanate Ester Resin and Epoxy Resin Cocuring Blends
